Physiological Psychology
1974, Vol. 2 (4), iii-vii

CONTENTS OF VOLUME 2

Aaron, M. See Thorne, B. M.
Ackermann, R. F. See Ellman, S. J.
Albert, D. J. See Mah, C. J.
Anton, B. S., & Bennett, T. L. **Hippocampal lesions during rearing and transfer of perceptual learning in rats** 523
Auger, R. A. See Everhart, J. D.
Avis, H. H. See Pert, A.
Bagchi, S. P. See Winokur, G.
Barker, L. M., Suarez, E. M., & Gray, D. **Backward conditioning of taste aversions in rats using cyclophosphamide as the US** 117
Barter, M. J. See Klein, S. B.
Bartus, R. T., & Ferris, S. H. **Neural correlates of habituation and dark adaptation in the visual cortex of the rat** 55
Becker, M. See Pearlman, C. A., Jr.
Belknap, J. K. See Nyby, J.
Bennett, T. L. See Anton, B. S.
Booth, D. A. **Acquired sensory preference for protein in diabetic and normal rats** 344
Booth, D. A., & Simson, P. C. **Taste aversion induced by an histidine-free amino acid load** . 349
Booth, D. A., Stoloff, R., & Nicholls, J. **Dietary flavor acceptance in infant rats established by association with effects of nutrient composition** 313
Bradley, C., & Meddis, R. **Arousal threshold in dreaming sleep** 109
Bradley, M. **Effects of septal stimulation on lateral hypothalamic choice-response self-stimulation** 421
Bridger, W. H. See Kahn, J.
Browder, J. A., Upchurch, W. M., & Kirby, R. H. **Preference for drinking deionized water over D_2O in the rat** 461
Brown, J. S. See Eckardt, M. J.
Brown, T. S. See Murphy, L. R.
Buchsbaum, M. S. **Average evoked response and stimulus intensity in identical and fraternal twins** 365
Capobianco, S. See Flaherty, C. F.
Carlson, K. R., & Pavsek, M. **Effects of oral methadone consumption on visual discrimination performance of the rhesus monkey** 383
China, C. L. See Everhart, J. D.
Cole, S. O., & Gay, P. E. **Brain mechanisms underlying the effects of amphetamine on feeding and nonfeeding behaviors: Dissociation and overlap** 80
Conner, H. S. See Kesner, R. P.
Coon, K. See Cooper, S.
Cooper, S., Coon, K., Mejta, C., & Reid, L. **Methods of deconditioning persisting avoidance: Amphetamine, chlorpromazine, chlordiazepoxide as adjucts to response prevention** 519
Cox, V. C., & King, J. M. **The effects of estradiol on food intake and weight in ovariectomized rats with amygdaloid lesions** 371
Crowley, D. E. **Comment on "Otitis media in laboratory rats"** 99
Deaux, E. See Engstrom, R.
Der-Karabetian, A., & Gorry, T. **Amount of different flavors consumed during the CS-US interval in taste-aversion learning and interference** 457
De Sisto, M. J., & Zweig, M. **Differentiation of hypothalamic feeding and killing** 67
DeVietti, T. L., & Hopfer, T. M. **ECS-induced amnesia: Retention function consistent with state dependency predictions** 35
DiCara, L. V., & Wilson, L. M. **Role of gustation in sodium appetite** 43
Dickinson, A. **Response suppression and facilitation by aversive stimuli following septal lesions in rats: A review and model** 444
Dienst, F. T. See Maser, J. D.
Divac, I. **Caudate nucleus and relearning of delayed alternations in cats** 104
Eckardt, M. J., Skurdal, A. J., & Brown, J. S. **Conditioned taste aversion produced by low doses of alcohol** 89
Elkins, R. L. **Bait-shyness acquisition and resistance to extinction as functions of US exposure prior to conditioning** 341
Ellman, S. J., Ackermann, R. F., Farber, J., Mattiace, L., & Steiner, S. S. **Relationship between dorsal brainstem sleep sites and intracranial self-stimulation** 31
Engstrom, R., & Deaux, E. **Stomach distention as a regulation of fluid intake** 337
Everhart, J. D., China, C. L., & Auger, R. A. **Measures of EEG and verbal intelligence: An inverse relationship** 374
Farber, J. See Ellman, S. J.
Ferris, S. H. See Bartus, R. T.
File. S. E. **Sodium pentobarbital and habituation: Acquisition and transfer between states** 18
Fitzpatrick, K. W. See Meliska, C. J.
Flaherty, C. F., Hamilton, L. W., & Capobianco, S. **Anticipatory responding in rats with septal lesions** 513
Gaito, J. **The kindling effect** 45
Gaito, J., & Gaito, S. T. **Interanimal negative**

transfer of the kindling effect 379
Gaito, S. T. See Gaito, J.
Gay, P. E. See Cole, S. O.
Gittis, A., & Hothersall, D. DRL performance of juvenile rats with septal lesions 38
Glick, S. D., & Marsanico, R. Schedule-dependent recovery of barpressing performance in frontal rats 65
Gluck, H. See Vrtunski, P.
Gonzalez, M. F., & Novin, D. Feeding induced by intracranial and intravenously administered 2-Deoxy-D-Glucose 326
Gorelick, D. A. See Kahn, J.
Gorry, T. See Der-Karabetian, A.
Graf, C. L. Effects of scopolamine on inhibitory mechanisms 164
Gray, D. See Barker, L. M.
Groves, P. M. See Parker, M. V.
Hamilton, L. W. See Flaherty, C. F.
